

A/V Rider – Neil Pasricha

Stage

- As empty as possible with lots of walking space
- Cocktail table holding a slide clicker and glass of water
- Downstage monitor and countdown timer, if you have them

Powerpoint

- Dropbox with PPT and videos sent to you 3 days in advance
 - Please click through Powerpoint to ensure slides / videos run OK
 - Fyi 1: Videos are both embedded in Powerpoint *and* sent as separate files
 - Fyi 2: Powerpoint includes plain black slides. (Please don't delete. Fine to replace with "our standard event background logo slide" if needed)

Screen

- 1 or more screens permanently on Powerpoint feed
- 1 or more screens permanently on iMag, if you have iMag (No prob if not)
 - "PIP" / "Splitscreen" OK but no toggling between Powerpoint / iMag

AV Check

- None required. (If you require, we're happy to set up 30-60 mins before speech)

Lighting

- House lights 50%
- Stage lights 100%

Sound

- Wireless LAV
