

## STAGE INTRO/BIOGRAPHY

Shola Richards is the CEO and Founder of Go Together Global®, the best-selling author of the award-winning book *Civil Unity*, and the host of the brand-new *Kindness Extremist Podcast*. Most of all, Shola is leading a worldwide movement to change the world based on how we treat each other at work. His tireless international efforts to make the world a kinder place from San Juan to Singapore have earned him the well-deserved nickname, “Brother Teresa”.

As a speaker, Shola has shared his transformative message with top healthcare institutions, Fortune 500 companies such as Google and Microsoft, with major media such as the TODAY Show and CBS Mornings, and in his greatest honor to date, in September 2021, he was invited to testify in front of the United States House of Representatives on Capitol Hill to share his expert recommendations on how to bring more civility to Congress (he’ll be the first to tell you that they could use a refresher course 😊).

Please welcome our keynote speaker and kindness extremist, Shola Richards!
